

**To make this effort successful, we need YOUR support!**

Run/walk/bike in the 5k—we need participants who can run/walk/bike the 5k and are able to collect financial pledges to offer as donations to the run.

Volunteer for the run—we need folks who are willing to staff a registration/literature table, hand out water, bike the route as street medics, and help chalk the route beforehand.

Donate to the run/sponsor a participant—if you are not available to attend, but want to support the fundraising effort, please mail donations to:
